# WEEK

# JANNEK BÜNGENER

Not only does he impress the audience with his skills behind the turntables, but he also has an amazing feeling for house music.

Not only his numerous fans can hear that in every song, remix, bootleg or mashup, but also his friends and acquaintances in every sentence.

**Because he loves & lives house music!**

Of course, it was to be expected that the first Job's would soon be available as a performance DJ.

### FRECK OUT

The Podcast

After his first Job's as a performance DJ,  
nobody could stop him.  
and his own podcast followed.

### FRECK OUT

The Podcast

Because also the fans in the Internet were inspired by his  
sometimes nevertheless somewhat unusually music  
direction. So one thing came to another and soon he was in  
everyone's ears.
